A Letter From Our CEO and Board Chairman

BEHIND OUR BLUE DOOR ARE HOPES, DREAMS, AND GREAT FUTURES FOR OUR DALLAS AREA YOUTH

To our fellow Agents of Change:

We would like to start by thanking every donor, volunteer and corporate/foundation supporter that invested their time, energy, and resources into impacting the lives of the youth served by Boys & Girls Clubs of Greater Dallas. We have so many stories to share with you of the amazing youth impacted by the investment of our donors and supporters.

Together we achieved the following return on investment in 2017:

- Provided over 6,600 youth ages 6-18 with a safe place to go after school
- Served over 194,500 meals
- Awarded over $400,000 in scholarships to graduating seniors from low-income neighborhoods
- Increased training and development opportunities for staff to enable them to deliver impactful, outcome-driven programs throughout the year
- Provided over 2,200 hours of programming in the areas of Academic Success (educational programs), Healthy Lifestyles (nutrition, physical fitness, and mental/emotional support), and Good Character & Citizenship (leadership and community service)

As you flip through the pages of this annual report, we invite you to take a glimpse behind the blue door that thousands of Dallas county youth walk through every day after school. Some walk through the door to receive the last meal they will have that night. Some for their only interaction with a positive, adult mentor. Some for refuge from a hostile home environment. Some for access to resources, opportunities and exposure to experiences they are not afforded at home or school. Some walk through the door simply for their only opportunity to just be a kid.

Boys & Girls Clubs of Greater Dallas is not just another after school program. For many of our youth, the Club is home. The Club is stability. The Club is family. The Club is hope.

Therefore, your investment in Boys & Girls Clubs of Greater Dallas allows our organization to continue to provide hope, resources, mentors, a safe haven, and a home to the youth who need us most. This is something we have done for over 50 years and counting. With 18 Club locations spread across Dallas County, we are located in the neighborhoods filled with children in need of all that we have to offer.

As you flip through these pages, we hope you not only see the lives you have touched, but how many futures you have changed.

Your partners in changing lives,

Charles English
President & CEO
Boys & Girls Clubs of Greater Dallas

Joyce Williams
Associate Vice Chancellor, DCCCD
Chairman, BGCD Board of Directors

GREAT FUTURES START HERE.

Meet Mariah, future Deaf Interpreter.

Mariah
Age 12
Member of Boys & Girls Clubs of Greater Dallas

When observing Mariah as she practices on her viola, it’s not hard to tell she’s a bit of a perfectionist. You can almost feel the intensity of her concentration as she stands with her back straight and instrument resting on her shoulder. Just two years ago, Boys & Girls Clubs of Greater Dallas (BGCD) introduced her to the viola by offering orchestra as part of our Center for a New Generation (CNG) programming at her elementary school.

Mariah would not have access to this type of programming without BGCD and generous donors like you. Despite her circumstances, Mariah has dreams of going to college and becoming an interpreter for the hearing impaired. We intend to help make this possible.

Great Futures, Like Mariah’s, Start Here.

Joshua
Age 7
Member of Boys & Girls Clubs of Greater Dallas

Despite being only six years old, Joshua tends to maintain a very stoic expression. You can picture him, years from now, in his crisp black uniform lined with gold buttons and red trim. However, before he becomes a highly decorated marine he must first become a strong reader. Unfortunately, Joshua did not participate in an early childhood education program prior to starting the first grade. This resulted in him starting school without the ability to read. He now participates in BGCD’s Accelerated Early Childhood Education (AECE) program, which targets first-graders who have been identified as struggling readers.

Since enrolling, Joshua is not only reading on grade level but was introduced to his favorite book, Diary of a Wimpy Kid. With our continued support and help, we'll ensure nothing holds him back from his future heroic career.

Great Futures, Like Joshua’s, Start Here.
Because a strong LEADER must first be a strong READER

Studies show if students are not reading on grade level by 3rd grade, they are four times more likely to drop out of school.* BGCD is addressing this head-on by catching struggling readers in first grade and providing specialized curriculum to ensure students are reading on or above grade level by 3rd grade.

**Competitive Sports League:**

**ALL STARS**

ALL STARS is an organized league sport and fitness program for flag football, basketball, soccer and step and dance teams for youth ages 6-18. ALL STARS is sponsored by Buffalo Wild Wings and aims to increase opportunities for physical activity, social interaction and recognition through organized sports programming for youth.

---

**Meet Daisy & Giselle, future Judge and Lawyer.**

**Daisy and Giselle**  
*Ages 10*  
*Members of Boys & Girls Clubs of Greater Dallas*

No one would ever guess that these bundles of energy once dealt with a lack of confidence and had academic concerns. With the help of the Club, their self-esteem has soared and their grades have improved exponentially.

Through tutoring, interactive programs and mentorship, they have not only grown personally and academically but they have set their sights on their future aspirations of becoming a judge and lawyer. We plan to do whatever is necessary to help them along the way. Therefore, we will continue to invest in their education, dreams and ultimately, their futures.

Great Futures, Like Daisy’s and Giselle’s, Start Here.

---

**BGCDallas Healthy Lifestyles Programs**

**Adopt a Healthy Diet, Practice Healthy Lifestyle Choices and Make a Lifelong Commitment to Fitness**

Healthy Lifestyle programs encourage our members to adopt healthy eating, practice healthy lifestyle choices, and make a lifelong commitment to fitness. These programs develop young people’s capacity to engage in positive behaviors to nurture their well-being, set personal goals and grow into self-sufficient adults.

**Wellness Program:**

**SMART Girls**

SMART Girls is a small-group health, fitness, prevention/education and self-esteem enhancement program to meet the developmental needs of girls in three age groups, spanning ages 8 to 18. Through dynamic sessions, participatory activities, field trips and mentoring opportunities with adult women, Club girls explore their own and societal attitudes and values as they build skills for eating right, staying physically fit, getting good health care and developing positive relationships with peers and adults.

**Wellness Program:**

**Passport to Manhood**

Passport to Manhood represents a targeted effort to engage young boys in discussions and activities that reinforce character, leadership and positive behavior. Each participant receives a “passport” to underscore the notion that he is on a personal journey of maturation and growth.

**Competitive Sports League:**

**ALL STARS**

ALL STARS is an organized league sport and fitness program for flag football, basketball, soccer and step and dance teams for youth ages 6-18. ALL STARS is sponsored by Buffalo Wild Wings and aims to increase opportunities for physical activity, social interaction and recognition through organized sports programming for youth.
Did you know Texas is one of the top 4 states for human trafficking? Boys & Girls Clubs of Greater Dallas will not sit idly by while our young girls suffer. With the help of a grant from Dallas Women’s Foundation, BGCD launched #girlstrong in the spring of 2017. #girlstrong combines the evidence-based curriculum of SMART Girls and Net Smartz to provide human trafficking prevention and awareness to youth in at-risk environments.

At BGCDALLAS
Our Girls are STRONG
Meet Eden, future Neurosurgeon.

Eden
Ages 11
Member of Boys & Girls Clubs of Greater Dallas

Upon first meeting her, one would think she was a quiet and shy wallflower. However, this wallflower bloomed in front of her entire Club as she ran for President of the Torch Club...and won! Torch Club is a BGC program that awakens and strengthens the spirit of leadership and community advocacy in our youth. With the dream of becoming a neurosurgeon, Eden plans to go from leading Torch Club to someday taking the lead in an O.R. BGCD is investing in her education, her dreams and ultimately, her future.

Great Futures, Like Eden’s, Start Here.

Be an Engaged Citizen Involved in the Community, Register to Vote and Model Strong Character

These programs help youth become responsible and caring citizens. Program participants develop leadership skills and gain opportunities for planning, decision-making, contributing to Club and community and celebrating our national heritage.

Leadership / Community Service (Teens):
Keystone Club

Keystone is the Boys & Girls Club Movement’s ultimate teen program for youth ages 14 to 18. This unique program provides leadership development opportunities for youth to participate in activities, both in and out of the Club, in three focus areas: academic success, career preparation and community service. With the guidance of an adult advisor, Keystone Clubs aim to positively impact teens, their Club and local communities.

Leadership/Community Service (Youth 11-13):
Torch Club

Torch Clubs are chartered, small-group leadership and service clubs for boys and girls ages 11 to 13. A Torch Club is a powerful vehicle that helps Club staff meet the special character development needs of younger adolescents at a critical stage in their life.
Keystone (ages 14-18) and Torch Club (ages 11-13) provide leadership development opportunities for teens and pre-teens at the Club. Youth participate in activities in four focus areas: academic success, career preparation, teen outreach, and community service. With the guidance of an adult advisor, Keystone and Torch Club aim to have a positive impact on members, the Club and community.
Meet Jamey, future College Graduate.

Jamey
Ages 18
Member of Boys & Girls Clubs of Greater Dallas

Jamey became a member of Boys & Girls Clubs of Greater Dallas when he was six years old. With a single mom raising five children in south Dallas, the Club provided Jamey and his siblings with a safe and productive place to go every day after school.

At the Club, Jamey was empowered to see a life beyond his current circumstances. Through college-ready programs like Collegiate STEPS, he received help with applying for college and financial aid. He was also paired with a mentor to guide and support him as he prepared for life after high school. As a first-generation college student, this type of support was critical. Jamey, now a freshman at Texas Southern University, is majoring in Business Management. At BGCD we are committed to helping our youth not only graduate, but graduate with a plan for their future.

Jamey’s Future Started Here.

Boys & Girls Clubs of Greater Dallas is committed to serving teens and young adults with programs geared toward their needs and interests

College-Ready:

Collegiate STEPS
To help high school students overcome obstacles, improve college knowledge and attend college. Collegiate STEPS involves mentoring juniors and seniors one-on-one by assisting them with navigating the college admissions process and helping them apply for scholarships and financial aid.

Career-Ready:

“Building” Industry Leaders by Urban Land Institute
The mission is to educate and mentor high school students on the diverse opportunities of a career in real estate, design, engineering and other professions represented by Urban Land Institute (ULI) and give them the professional skills to become industry leaders and contributing members to the community.

Career-Ready:

Young Professionals in Finance (YPF)
This bi-weekly mentorship program teaches teens about entrepreneurship and college- and professional-readiness through case studies. Topics range from funding higher education, resume building, networking, interviewing, and professionalism. The entrepreneurship lessons are structured as a startup boot camp, in which teens are split into teams to create and pitch a business idea.
Our 9th Annual TOPPs (Threshold of Opportunities) Celebration took place on May 23, 2017 at the Frontiers of Flight Museum. This special dinner provided a unique opportunity for BGCD Club members to dine with corporate sponsors and community leaders. It honors our members and to bring supporters of the Club in direct contact with the children that benefit from their generosity. The TOPPs Celebration allows Boys & Girls Clubs of Greater Dallas to recognize our Youth of the Year and Collegiate STEPS graduating seniors with special awards and scholarship money. In 2017, we celebrated the graduation of 80 Collegiate STEPS participants.

Due to the amazing support of donors and sponsors, exceeded our fundraising goal for TOPPs and made it one for the records! The TOPPs Celebration had a net of over $235,000! This doesn’t even include the amount of funds raised for scholarships. Thanks to our scholarship sponsors, BGCD was able to award over $400,000 in scholarships to our deserving youth!

We would be remiss to not give a special shout out to our overachieving co-chairs, George S. Watson and Michele Wheeler and our honorary chairs, Karen and Tom Falk. We cannot thank them enough for making it their personal objective to knock our fundraising goal out of the park! Another shout out to NBC 5 reporter, Cory Smith, for emceeing the night and making sure the event flowed seamlessly.

Visit www.bgcdallas.org/events/topps-celebration to see a full list of sponsors and supporters.
The 12th annual Corporate Cup Golf Tournament, presented by Kimberly-Clark Corporation, took place on October 10, 2017 at Dallas National Golf Club and it was another great success! Due to the generous support of our players and sponsors, we raised $348,500!

Net proceeds of $280,000 will go directly towards providing the thousands of youth served by Boys & Girls Clubs of Greater Dallas’ 18 Club locations with quality programming and transportation from school to the Club. Every day from 3pm-7pm our Club members not only have a safe place to go, but receive hot meals after school, help with homework, and participate in special programs that range from Performing Arts to Sport Leagues to College- and Career-Ready. It is through funds raised at events like Corporate Cup that we’re able to do this.

A special thank you to the Corporate Cup planning committee and co-Chairs Mike Azbell and Grant McGee of Kimberly-Clark Corporation. We are ever grateful to David Denley and the entire Dallas National Golf Club staff for welcoming Boys & Girls Clubs of Greater Dallas for another exceptional golfing experience.

CONGRATULATIONS TO THE TOURNAMENT WINNERS:

1st Place: Buthman Family Foundation / Cantrell McCulloch, Inc.
2nd Place: Fluor
3rd Place: Dr Pepper Snapple Group
Putting Contest: John Falk, The Chenequans
Longest Putt: Reed Schnittker, Ryan, LLC

Our annual math competition, Math Blazors, was held on Saturday, April 22nd. **Math Blazors** is an event hosted by Boys & Girls Clubs of Greater Dallas that allows 3rd – 8th grade students to display their math skills in a math competition that covers specific skills tied directly to Texas Essential Knowledge and Skills (TEKS) objectives at each grade level. Over 100 employees of Comcast, NBC 5, and Telemundo joined us at our Grand Prairie Boys & Girls Club location as volunteers. Volunteers helped youth with challenging math questions and workouts, oversee rocket launches, and conquer obstacle courses.

On Saturday, September 16th, hundreds of Club members from our various locations came together at Celebration Station for our annual Day for Kids event. Created as a day to foster relationships between adults and children, the mission of BGC Day for Kids is to establish a day to celebrate and honor children through the gift of meaningful time. Research shows that when adults spend meaningful time with kids it helps them develop a positive self-image and a sense of belonging, usefulness and purpose.

Thank you to the many sponsors that supported this special initiative and aided us in providing such a fun and memorable day for our youth.
EAST DALLAS
FOODIEPALOOZA
The East Dallas Boys & Girls Club Advisory Council hosted their 8th Annual Foodiepalooza event on September 28, 2017 at The Filter Building at White Rock Lake. Guests were treated to a fun and unique culinary experience that featured food and beverage tasting stations. Foodiepalooza is the premier fundraiser benefiting East Dallas Boys & Girls Club and raised over $66,000.

GRAND PRAIRIE
HOLIDAY WINE & DINE
Our Grand Prairie Advisory Council hosted their 2nd Annual Holiday Wine and Dine, benefiting our Grand Prairie Boys & Girls Club, on December 7, 2017. The event took place at a beautiful model home by Grand Homes, located in Grand Prairie, TX. It was a night of great food and wine, silent auction, music and much more.

RICHARDSON
GOLF TOURNAMENT
This fun golf tournament took place April 25, 2017 at the beautiful Canyon Creek Country Club in Richardson, TX. The Annual Golf Classic features a four-person scramble and is hosted every spring by the Richardson Boys & Girls Club Advisory Council. Due to their fundraising efforts, the 2017 golf tournament raised over $25,000 to go towards programming at Richardson BGC. Special thanks to Fujitsu for supporting the many youth of Richardson Boys & Girls Club by participating as the Presenting Sponsor of this successful tournament.

RICHARDSON
GOBBLE HOBBLE
The Gobble Hobble, presented by Methodist Richardson Medical Center, took place on Saturday, November 18th. This Thanksgiving tradition was hosted by our Richardson Boys & Girls Club Advisory Council at Galatyn Park. Runners of all levels had the opportunity to participate in either the 1 mile Family Fun Run, 5k or 10k. The event featured a Kid Zone with bounce houses, balloon animals, and much more. This was definitely a family affair!

Cindy Leija has been a member of Boys & Girls Clubs of Greater Dallas since she was 12 years old. Growing up, she experienced domestic violence and her family endured great financial hardship. She attributes overcoming her obstacles to joining the Club. While at Boys & Girls Club, Cindy participated in programs that prepared her for college and to face the world with confidence. She says, “Thanks to the Boys & Girls Clubs of Greater Dallas, my whole life took a drastic turn.”

Cindy is currently attending Salem College, majoring in Biology with hopes of continuing on to medical school. After college, she has plans to give back to the Boys & Girls Club by creating a program where youth receive counseling about dealing with emotional health.
