About Boys & Girls Clubs of Greater Dallas
For 55 years Boys & Girls Clubs of Greater Dallas has provided life-changing services to more than a quarter of a million youth in Dallas and surrounding areas. Programming in three core areas meets the diverse needs and interests of their 6,500 Club members, ages 6-18. These core areas include Academic Success, Good Character and Citizenship, and Healthy Lifestyles. For more information, please visit bgcdallas.org.

Our Mission
Boys & Girls Clubs of Greater Dallas’ mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

About the Event
The TOPPs (Threshold of Opportunities) Celebration is a special dinner honoring the graduating seniors, who participated in Boys & Girls Clubs of Greater Dallas’ college-ready program, Collegiate STEPS. Many of these high school seniors come from economically-disadvantaged communities and will be the first in their families to attend college. With two phenomenal students seated at every table, this is an opportunity to dine with the leaders of tomorrow and share words of encouragement and advice as they transition into the next phase of their journey—college, military, or trade. Be inspired by successful BGCD alumni and our Youth of the Year. Witness the sheer joy on our teens’ faces as they are awarded with scholarships and surprised with laptop computers and luggage. Do not miss this unforgettable night celebrating obstacles overcome and lives impacted.

Meet Joan Mwangangi, 2019 Texas State Youth of the Year
Joan Mwangangi joined the Grand Prairie Boys & Girls Club after her family moved from Kenya to the United States. She took full advantage of many of the resources the Club offered for personal, educational, and professional preparation such as SMART Girls, Keystone, Power Hour, and more. Joan credits the Club as the source of her real “American experience” and through these experiences, she has shaped a vision for herself and the future of the youth in America.

Joan is currently attending the University of Mary Hardin-Baylor studying international business and has plans to return to her home country of Kenya to start a business with her father.

“Collegiate STEPs prepared me for a world outside of Grand Prairie. Because of it, I am ready to take on the world,” Joan says.

Understanding that life is a balance between working hard in order to play even harder, Joan hopes to help teenagers by finding ways for them to travel, something she very much enjoys. In addition, Joan hopes to start a program that gives teenagers insight on “adulting,” and ultimately hopes to show the world how her generation of youth will be game changers.

With a vision to create GREAT FUTURES and a drive that’s even greater, we are proud to be represented by Joan as Boys & Girls Clubs of Greater Dallas’ 2019 Youth of the Year.
