HISTORY & MISSION

Boys & Girls Clubs of Greater Dallas' mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Boys & Girls Clubs of Greater Dallas began operations in November 1965, with the opening of the West Dallas Boys Club.

In 1990, the Boys Club added "Girls" to its title and an aggressive effort to serve both girls and boys was initiated. Today, Clubs are open to all boys and girls between the ages of 6 and 18, regardless of race, religion or national origin. Our local Clubs serve a membership base of more than 6,000 youth annually, providing programs based on physical, emotional, cultural and social needs, and the interests of boys and girls. Clubs offer diverse program activities in three areas: Academic Success, Good Character & Citizenship and Healthy Lifestyles. These services are offered through a network of center based, professionally staffed, small group and one-on-one teachable moments and classes. Programs implemented enhance character and self-esteem, are educational and fun and ultimately contribute to youth realizing their maximum potential.

A Boys & Girls Club Provides:

- A safe place to learn and grow
- Ongoing relationships with caring, adult professionals
- Life-enhancing programs and character development experiences
- Hope and opportunity

Today, thousands of boys and girls from neighborhoods across Dallas and Navarro Counties benefit from the building-centered programs and services designed specifically for them at local Clubs. The programs offered provide strong moral guidance, positive role models and life-changing educational programs designed to save kids from lives of crime and failure.

Boys & Girls Clubs of Greater Dallas is an organization that stands for traditional values, while providing progressive programs that address the problems faced by the youth of today, including substance abuse, teen pregnancy, gangs and violence.

If a child is caught using a prohibited device during programming, it will be taken up by the staff and given back at the end of the day. A parent may contact their child through the Club's phone.

Furthermore, BGCD is not responsible for any personal items brought to the club that may get lost or stolen.

Club Equipment:

Club members will have access to utilize BGCD equipment including, but not limited to, computers, tablets, gaming systems and televisions. This equipment is not easily replaced and Club members should endeavor to preserve all equipment through careful usage. If equipment is damaged while in the possession of a Club member, that member/ parent is responsible for repairing or replacing the damaged item(s).

BULLYING

BGCD promotes a Club environment where everyone is treated with dignity and respect. To make this possible, we recognize that one of our most important responsibilities is to create and sustain a safe environment so our members can enjoy participating in our program. To achieve this goal, we must acknowledge that bullying can occur within our Clubs.

To clarify the definition of bullying and to help prevent it from occurring, we have outlined the following information:

- Both boys and girls can be bullies. We, as an organization will not tolerate an attitude of “boys will be boys” or “girls will be girls” to excuse social cruelty or physical harm.
- Bullying can be direct or indirect, blatant or subtle. It involves an imbalance of power and repeated and intentional actions.
- Bullying is any behavior considered physical aggression, social aggression, verbal aggression, written aggression, intimidation, sexual harassment, or racial/ethnic harassment.
- Bullying is cutting someone off from essential relationships.
- Bullying includes isolating the target by making this person feel rejected by his or her community.
- Bullying is malicious gossip and rumor spreading.

Bullying often occurs outside of the physical grounds of the Club, yet these actions impact the safety of our members as though they occur on Club sites. Any bullying behavior demonstrated at the Club or outside of the Club that affects our Club community, will be addressed by the Club Management.

Examples of bullying outside the Club could be (but are not limited to) the following:

- Electronic communications that include physical threats and/or malicious gossip and slander.
- Hit lists or polls via e-mail or other methods of communication naming specific members and/or staff.
- Sending humiliating photographs to others.
- Stealing passwords and misrepresenting oneself.
- Changing other people’s personal profiles.
- Hazing, or any ritual that degrades, humiliates, threatens, or physically hurts another person as a pretext for joining a team or other formal or informal group.

As an organization, we will take any report of bullying seriously. Bullying will be responded to through a variety of consequences and intervention up to and including suspension from the Club, depending on the frequency and severity of the behavior. Any member who is suspended

will not be permitted to return to the Club without a parent/member re-entry meeting with the Club Director.

Some situations, including less severe first offenses, may be handled by the Club through member conferences, mediation or other interventions without a phone call home. If more serious bullying behavior has occurred, possible consequences could be suspension or expulsion from participation in all Club activities. Membership is a privilege, not a right. Subsequent consequences could include Club suspension. If any of these consequences become a likely outcome, we will notify you.

If your child is the target of bullying:

- Notify the Club Director so that the incident can be documented.
- The incident will be addressed as quickly as possible, but please allow us 48 business hours to respond. If you do not hear from us by that time, please feel free to call the Club Director to follow up.

Please understand that we want all our members to feel safe, valued and respected in our Clubs. These situations are hard for everyone – parents, Club staff and members alike, but it is in these moments when we truly show what we stand for as a community. Working together, we can do our best to ensure that our Club is a safe and positive environment where great futures can start for every child.

Guidelines on Staff/Member Relationships

The essence of the Clubs' mission is to support young people as they develop and build values, skills and self-esteem. Employees and volunteers are hired and/or selected to carry out that mission. They are expected to perform their job responsibilities at all times in a professional manner. Any employee who acts inappropriately in the presence of or toward a Club member, co-worker, or management is subject to discipline, up to and including immediate termination.

Parent Code of Conduct

BGCD is committed to providing a safe and nurturing environment for your child. In an effort to ensure your child's development in a positive way, we ask that you as the parent(s)/guardian(s) agree to the following:

You understand that it is your responsibility to read and comprehend the policies set forth and to follow them to the best of your ability; and ask questions regarding any policy and/or procedure that it not clear to you.
- To strive to support the program in the way you communicate with the members, the staff and other parents.

Parental Involvement

The Club strongly encourage parents' involvement in their child's academic and personal growth. Parents are always welcome to work or play with their child at the Club. This is the best and most effective method to inform parents about their child's successes and struggles. Club newsletters and occasional phone calls to homes also keep parents up to date on the programs and activities offered through the clubs.

Communication with Parents on Child's Progress

BGCD parents and members receive and sign the parent handbook that includes BGCD's policies, expectations and organizational information. These policies clearly state that some violations may result in immediate suspension or termination of membership. In all but the most serious violations, however, staff will work with the member and his/her family to restore the child's good standing in the Clubs.

Parents also agree to ensure that their children abide by these rules. If a child breaks a rule, this violation will be documented and placed in the child's file. Depending on the severity of the infraction, parents will be contacted. In the case of children who are picked up by a relative, staff will verbally inform the family member the same day that the violation occurs. More serious or repeat violations will also be conveyed via written notice. Parents are welcome to review their child's file at any time. They can also meet with staff and Club leadership regarding their child's behavioral or safety issues in order to develop a strategy for improvement.

Filing a Complaint

BGCD employees should communicate with parents upon pick-up or drop-off regarding any pertinent information about the child's well-being. For communication of policies and/or other information required by law, the employee should check with a supervisor about the best way and most appropriate person to speak with the parent.

STEP 1: Contact the Club Director of the local club your complaint is with. If not resolved proceed to Step 2.

STEP 2. Contact the BGCD Administrative Office. (214) 821-2950 and speak with the Program Support Specialist or VP of Programs.

~ **COVID-19 UPDATES (Summer 2020)** ~

Safety remains the number one priority of Boys & Girls Clubs of Greater Dallas (BGCD) and we are doing everything possible to keep Club kids and our staff protected from COVID-19 while providing a fun, engaging experience. We realize that BGCD is the only place that some families in our community can turn to when schools are closed. Given the need, BGCD plans to reopen on Monday, June 29 at 9 Clubs.

These Clubs will be opening with the following limitations for attendance in place:

- A 1 to 10 staff to Club member ratio
- Clubs opening at 50% capacity

Upon this limited reopening, enhanced safety precautions for staff and members are as follows:

- Face coverings required for staff and Club members
- Social distancing measures, marked by signage
- Daily onsite health screenings for staff and Club members
- Sanitizing stations placed in every room
- Curbside pickup and drop off
- Youth will remain with the same group leader throughout the day and room rotations are minimized
- Buildings will be cleaned and disinfected throughout the day

As always, we place the safety of our youth and staff at the highest level. BGCD will continue to operate with these limitations in place as long as we can provide a safe environment for young people. We will continually monitor all updates from the Centers of Disease Control and Prevention, State of Texas, and Dallas County health department for updated information.

Check out the Summer 2020 Parent Orientation video and website for more details on safety measures added.
